RESEARCHING & CLEARING NEGATIVE ENERGIES

Negative Energy is a powerful dark profound energy that does not feel good. We can usually tell right away when we "don't feel like ourselves anymore" or you suddenly "don't feel comfortable in your own skin". These could be signs that a negative energy has found its way to you and is settling in for the long haul! This class will teach students the many types of negative energies that exist in the universe, how to identify them, and tools on how to remove them. This class is highly recommended for all levels of Reiki students as an add-on to your healing toolkit. Past Life Research Class students also are welcome as you will already be familiar with using pendulum. However, the class is open to anyone with an open mind or curiosity about our amazing Universe.

ABUNDANT YOGA

Do you have the idea that yoga is not for

you because you live in an abundant, bountiful body? Wrong! Yoga is for everybody. Every. Body. It can be hard to walk into a class and be worried about if you can keep up, if everyone there is smaller than you, if it will be too hard, if tiny little stick people will give you the side eye while putting their legs over their heads, if your breathing will be too loud, whatever! But this is a class just for you! Please come and try! Abundant Yoga is a workshop for beginning or experienced yogis who may have a larger body. All are welcome who would enjoy a slower paced way of moving. As we build strength and flexibility, we will also prepare you to take any yoga class by learning how to adapt and vary yoga poses for your own beautiful body. You'll learn about the chakras, some yoga etiquette, a little yoga history, and how to decipher yoga class descriptions to make sure a class is for you. Every week we will move and breathe. There are two sessions available to choose from. Take one class or double up on the fun and take both!

PAST LIFE RESEARCH

Many cultures believe we are souls having a physical experience in this time and place. These experiences can span centuries. Ever wonder who you were in a past life? Do you obsess over a certain time in history? Why are you drawn to certain locations, countries or areas in the US? Have you ever just met someone yet feel like you have known them forever? Chances are you feel drawn to those things because you had a past life

experience. This class will teach students on the proficient use of using a pendulum and charts to discover who you were in past lives. It's meant to be a fun class. Week One: students will learn more about those feelings described above and how to use a pendulum proficiently. Students may bring a pendulum, or one will be provided for class use only. Week Two: students will learn how to incorporate charts with the pendulum and how to make inquiries using them and other tools. Students that are interested in continuing their practice can purchase an optional Past Life Research Kit which will include laminated charts, instructions and crystal pendulum for a small fee.

INTRO TO TAP DANCING

Have you always wanted to learn how to tap? Join in the fun of tap dancing! Exercise your body and mind while learning a variety of tap dance steps and a choreographed dance routine. This class is perfect for beginners and those with little experience. Tap is performed by a dancer wearing shoes with toe and heel taps that strike the floor in a rhythmic, percussive beat. Tap shoes are required and we will provide you with the guidance needed to purchase them at the time of registration. An optional dance recital will be held after class ends to perform a dance routine and showcase the skills you have learned. Instructor Deonna Wells is the owner of 5678 Dance Studio in Burley and has taught generations of students the art of dance. She has choreographed many plays and musicals here in the Mini-Cassia Area. This class will be held at 5678 Dance Studio in Burley. Space is limited to 12 participants and pre-registration is mandatory. Ages: 16+.

SOCIAL SECURITY PLANNING

When should you start receiving Social Security Benefits? Social Security is a key source of guaranteed income – which means that the amount you receive monthly does not fluctuate with changes in the stock market. The monthly amount is guaranteed by the government. Benefits include payments that last as long as you live, no matter how long. Coverage for your non-working spouse, whether they are living or not. Cost of Living Adjustments, or COLA, the purpose of which is to ensure that Social Security benefits are not eroded by inflation.

And, of course Social Security benefits will likely play a key role in the retirement income plan that you set up with your financial advisor.
