The 11th annual
**SUN VALLEY
SUMMER SPANISH
INSTITUTE**

June 11-15, 2018

The Sun Valley Summer Spanish Institute is a unique week-long language immersion program. Whether you want to begin your study of the Spanish language or you want to hone more advanced Spanish skills – the Spanish Institute will help you take your Spanish to the next level and learn more about Spanish-speaking cultures.

IT'S A DYNAMIC WEEK FEATURING:

- highly-qualified, experienced instructors
- lots of opportunities for conversational practice
- cultural experiences representing a broad spectrum of Spanish-speaking countries

Tuition is \$395. A limited number of scholarships are available; individuals can apply for a scholarship by submitting a detailed letter of application to the CSI Blaine County Center by April 15.

College credit is also available.

Find more information and registration forms online at www.csi.edu/blaine.
Registration opens in April.

For additional information, visit: www.csi.edu/blaine

Twin Falls Campus • ADULT CLASSES

732-6442 • CSI Fine Arts Center • PO Box 1238 • Twin Falls, ID 83303

**DIY WOODWORKING PROJECTS:
CUSTOM PLAQUES WITH ANTIQUE
FINISHING**

W • June 6 – July 18 • 6 – 8:30 p.m.
Canyon 133 • Instructor: Jessica Larsen
Fee: \$80+\$22 supply fee paid to instructor
In this class, you will start with a blank slab of wood and then transform it into something special using a variety of different antiquing and distressing techniques. If you have ever been interested in woodworking and are looking for a great place to start, this is it. Familiarize yourself with different pieces of woodshop equipment and how to use them safely. Begin by choosing one of five custom sign design projects, and then complete your sign by learn how to build frames and distress using chisels, scrapers, and worm holing. Additional activities will include: staining, painting, chalk painting, glazing and various finishes. Leave class with a handy new skill set as well as a new one of a kind sign to take home. No class the week of July 7.

**WEEKEND WOODWORKING: INTRO
TO WOODWORKING AND POWER
TOOLS**

S/Su • June 9 - 10 • 9 a.m. – 4 p.m.
Canyon 133 • Instructor: Jessica Larsen
Fee: \$80 +\$22 supply fee paid to instructor
This is a class for anyone who wants to learn the basics of woodworking, have little to no shop experience, or are intimidated by power tools and want to step out of their comfort zone to create a fun, easy project. In the class, students will learn safety procedures as well as basic woodworking concepts that include machining, joinery, sanding, distressing and some fun finishing techniques.

INTRO TO GLASS BLOWING/TORCH-WORKING

W • June 13 - 27 • 6:30 – 8:30 p.m.

496 Madrona • Instructor: Wes Overlin

Fee: \$40+\$50 supply fee paid to instructor

Torch, tools and safety gear are provided.

This semester-long course is designed to introduce students to the basics of torch-working borosilicate (hard) glass, a.k.a. glass blowing. During the semester, students will be introduced to shop equipment, setup, maintenance, tools of the trade, and safety, all while learning the fundamental basics of hands-on torchworking by molding solid glass into shapes and figures, creating pendants, beads, and introducing blowing tubular glass into vessels. This course is designed for the individual who is interested in the shop, processes and developing skills to make functional solid and blown glass projects, jewelry and art.

GLASS BLOWING – VESSELS

Th • June 14 - 28 • 6:30 – 8:30 p.m.

496 Madrona • Instructor: Wes Overlin

Fee: \$40+\$50 supply fee paid to instructor

Torch, tools and safety gear are provided. In this class, you will learn the fundamentals of blowing borosilicate glass – manipulating tubular glass over a bench-top torch and shaping into glass vessels with outside color for art, jewelry, or gifts. Additionally, participants will learn the basics of tools, safety, equipment and techniques of this versatile and popular

GLASS BLOWING – OPEN STUDIO

M • June 11 – July 30 • 6:30 – 8:30 p.m.

496 Madrona • Instructor: Wes Overlin

Fee: \$60 +\$10 per hour that you use for

supply fee paid to instructor

Torch, tools and safety gear are provided.

Our T.A.G. Open Studio gives participants the opportunity to work independently in the studio while meeting other torch-working artists. These sessions are for those who have already experienced the art of torch-working and would like to continue to work on their skills or projects, or if you want to Just Try It out and see if you like it.

JUDO FOR BEGINNERS: THE GENTLE WAY

M/W/F • June 4 – July 27 • 5:30 – 6:30 pm.

Rec Center 231A

Instructor: Bryan Matsuoka

Fee: \$70 + \$20 gi rental each session

Judo is an Olympic sport with a history and tradition based on mutual benefit for all. It is a great sport for ages 8+up with built in anti-bullying principles. This class is an excellent sport for cross training as we teach you throws and ground techniques. The traditions of Judo also included are self-respect, respect for others, and property. Opportunities include local tournaments and guest teachers from the USA Elite Rosters. Students may begin this class at any time during the semester.

BEGINNING KARATE

M/W • June 4 – August 15 • 6:10 – 7 p.m.

Rec Center 236 • Instructor: Jesse Clark

Fee: \$80 + plus \$25 gi purchase payable to instructor

Age: Adults and youth 14+ (acceptations may be made with instructor's approval)

Karate is an excellent way to help develop coordination, confidence, physical fitness, and mental strength while gaining valuable social skills. Shotokan Karate of America (SKA) has been teaching traditional Karate in the USA since 1955. SKA was founded by Tsutomu Ohshima who was one of Master Funakoshi's last direct pupils, studying under him while attending Waseda University in Tokyo, Japan. Because of SKA's strong resolve to offer high-quality martial arts to the public, SKA has remained non-commercial and non-profit and continues to offer authentic, traditional martial arts instruction at affordable rates through more than 140 dojos across the United States and Canada with

affiliates worldwide. Mr. Ohshima granted Instructor Jesse Clark permission to instruct SKA in Twin Falls in 2011. Jesse Clark, nidán (2nd degree black belt), is the CSI head Karate and self-defense instructor for CSI. Jesse fought for the USA Team in France in 2014 and in Switzerland in 2017. Learn more at twinfalls.ska.org

ADVANCED KARATE

M/W/S • June 4 – August 15 • 7:10 – 8 p.m. M/W & 9 – 10:30 a.m. S

Rec Center 236 • Instructor: Jesse Clark
Fee: \$80 + plus SKA membership \$75 for first year

Age: Adults and youth 14+ (acceptations may be made with instructor's approval)

Take your Karate skills to the next level! In this class, you'll get a chance to learn additional techniques, attend meets and special events, and be taught by guest instructors. Advanced Karate class members must be members of SKA. Instructor Jesse Clark, nidán (2nd degree black belt), is the CSI head Karate and self-defense instructor for CSI. Jesse fought for the USA Team in France in 2014 and in Switzerland in 2017. Learn more at twinfalls.ska.org

KARATE FAMILY DISCOUNT!

After two sign-ups from the same family for either Karate class, each additional member only \$20. If your family qualifies and is interested, please contact Diane at 208-732-6442.

Finally Home: Homebuyer's Education

Is homeownership right for you? Learn about the benefits in our step-by-step 5-hour program. Your course completion may help you qualify for a reduced mortgage, insurance premiums, down payment and closing cost assistance or other special lender programs. The class is offered in partnership with Idaho Partners for HomeBuyer Education, Inc. Note: Each complete 5-hour session will be offered every month during the spring session - you only need to select one set of dates **Fee: \$20**

CSI/IDAA SUMMER DANCE CAMP INTENSIVE

Ages: 12 – 18 • CSI Campus

July 15 – 20 (One Week) or

July 15 – 25 (Ten Day)

8 a.m. – 5 p.m.

Fee: \$285 (One Week) or \$415 (Ten Day)

CSI Dance Camp provides intensive training to students ages 12 and up who have had a minimum of two consecutive years of dance. Students choose their schedules and take five to seven hours of class per day in ballet, jazz, funk, tap, contemporary, lyrical, hip hop, modern, musical theatre, improvisation, and pilates. The camp features an impressive guest faculty of professional dancers and dance instructors from all over the country. At the end of the day, all the hard work is offset with fun and exciting downtime activities. There is a \$50 late fee for signups after July 1.

JUST DANCE FOR JUNIORS

Ages: 9 – 11 • CSI Fine Arts Center

July 21 • Times: 8 a.m. – 5 p.m. • Fee: \$85

This special day camp is designed to introduce younger students to the concept of an intensive workshop. No dancing experienced required! The camp features the same instructors as the regular camp - a guest faculty from around the United States, bringing a wealth of talent and knowledge to assure each student achieves their highest potential. The day will include an array of such classes as ballet, modern, jazz, musical theatre, tap, and hip hop.

CSI THEATRE CAMP

Ages: 10 – 18 • CSI Fine Arts Center

June 25 – 29 • 9 a.m. – 5 p.m.

Fee: \$185 or \$205 after June 8

Hey, kids! Want to go to the one summer camp where you'll learn how to use stage makeup to give yourself (or somebody else) bruises, gashes, and old man wrinkles? Do you want to learn how to swing a sword,

take a fake punch, and fall without getting hurt? What about learning how to act and take stage directions? All of this and more is available in the week-long adventure that is CSI Theatre Camp. The camp will consist of age-appropriate breakaway classes such as makeup, set design, stage lighting, stage combat, acting, audition prep, puppets, improv, mime, costuming, musical theatre and more!

CSI JUNIOR THEATRE CAMP

Ages: 6 – 9 • CSI Fine Arts Center

June 18 – 20 • 1 – 5 p.m. • Fee: \$60

This three-day afternoon camp, a companion to the regular CSI Theatre Camp, is designed to introduce younger students to the world of theatre. Junior campers will get a behind the scenes tour of the CSI Fine Arts Center and learn the basics of what goes into a play - who does what, stage direction, how to express your emotions through performing, face painting, stage voice and movement, fun with costumes, as well as preparing a short showcase for moms and dads.

MUSIC FEST!

Ages: 12 – 18 • CSI Fine Arts Center

June 11 – 15 • 9 a.m. – 5 p.m. • Fee: \$225

Music Fest, a music day camp for students age 12 to 18, is an opportunity for students to participate in many areas of music and interact with professional faculty of music educators from all over the state. Students choose a major - strings, vocal, handbells, musical theater, percussion, organ, or piano - and spend significant time each day in classes related to their major. All students participate in the camp choir and have three elective periods. There are a wide variety of elective classes to choose from. On the last evening of the camp, all students perform in the Music Fest concert. Note: We have moved the band students into the CSI Summer Band Experience, where they will get specialized instruction on brass instruments in both jazz and classical music.

CSI SUMMER BAND EXPERIENCE

**Ages: 12 and up • CSI Fine Arts Center
June 25 – 29 • 9 a.m. – 5 p.m. • Fee: \$275**

Do you love music? Whether you are a hobbyist, a middle or high school student, or have just always wanted to learn to play, the CSI Summer Band Experience is the perfect opportunity for you! In this week-long summer camp, jazz and classical music tracks are available. Students will get the chance to have direct contact with renowned performance faculty six hours each day, learning all about their instrument during daily sectionals, working with their peers in small chamber groups and full band settings, learning about the building blocks of music, improvising in music theory, and experiencing the greatest musical recordings and historical performances of all time in the listening lab. A culminating performance as part of the Jazz on the Canyon Festival is always a highlight of the summer! So get your instrument off the shelf, come on down to CSI's beautiful campus, and have a great time making new friends and great music this summer!

CAMP MASTERPIECE

**Grades: 1-8 • CSI Hepworth Building
June 18 - 22 or June 25 – 29
Fee: \$129 • 9 – 11:30 a.m.**

Camp Masterpiece is the College of Southern Idaho's summer art camp. In Camp Masterpiece, young artists will discover a world of inspiration and creativity through open-ended, age-appropriate art lessons in drawing, painting, and sculpture. We will explore different media working on these projects as students learn various art techniques. Better yet, in this camp, visual and performing arts are combined with play, games and a snack, and the week will culminate in an art show and a performance. A Camp Masterpiece T-shirt is included.

CSI HIGH SCHOOL ART INTENSIVE

**Grades 9-12 • Art Complex 112 & 102
July 9 – 13 • 10 a.m. – 3 p.m.**

Cost: \$225

The CSI High School Art Intensive is a weeklong introduction to the 2D arts offered at CSI. This Camp is designed for students entering grades 9-12 who are interested in art and in what CSI has to offer. Over the course of a week, students will be introduced to a sampling of drawing, painting, design, and printmaking medias that will then be compiled into a handmade book. If you are looking for a creative outlet over the summer, this Intensive is for you! Limited to 12 students.

SPORTS PERFORMANCE TRAINING FOR YOUNG ATHLETES

**Ages: 6 & up • CSI Gym 233 & 236
June 11 – July 2 and/or
July 9 – August 1**

**Mondays and Wednesdays
12 – 1 p.m. • Fee: \$99 per session**

Don't lose your edge over the summer by developing the skills and stamina to become a better athlete! This course will focus on speed, quickness, agility, and jumping to help young athletes enhance their athleticism and develop the skills necessary for safe and effective sport participation. Travis Bunker will help you become stronger and quicker in your sport of choice. Travis has a master's degree in Sports Conditioning and is the Strength and Conditioning Coordinator for the CSI athletic teams. He will push your son or daughter to reach their potential and improve the right way! This class is for students of all experience levels and can be adapted to the individual needs of the students. Come join us!

INTRO TO RESISTANCE & STRENGTH TRAINING FOR YOUNG ATHLETES

Ages: 10 & up • CSI Gym 233 & 236

June 11 – July 2 and/or

July 9 – August 1

Mondays and Wednesdays

1 – 2 p.m. • Fee: \$99 per session

This course will introduce young athletes to safe exercises in the weight room taught by NSCA Certified Strength and Conditioning Specialist Travis Bunker. Young athletes will learn many different total body exercises to help strengthen and prevent injuries. The focus is not on “how much weight” or “maxing out” but how to do the exercises safely and with the correct form to enhance performance. This can be very beneficial to athletes going into or currently participating in high school strength or sports programs to prepare them for weight classes or continue what progress has been made during the school year. Body weight exercises, resistance bands, and light weights will be utilized to help your son or daughter build confidence in their abilities. Come get stronger!

SIBLING DISCOUNT

Sibling Discount: \$80 per session if a sibling has already signed up for either the Strength or Sports Performance Training

CSI SUMMER SCIENCE CAMP 2018 - YOUNG INVENTORS

Grades K – 7 • CSI Hepworth Building

July 23 – 27 • 9 – 11:30 a.m. • Fee: \$75

Are you a young Einstein? Maybe a Leonardo Da Vinci in training? Curious like Marie Curie? Ready to invent and explore? Join us for CSI Science Camp 2018 – Young Inventors - where CSI instructors and area science teachers lead students in hands-on science activities covering a variety of subjects guaranteed to excite their imaginations, spark their creativity, and teach them about all things science.

CSI KITCHEN ACADEMY – APPETIZERS OR TAPAS

Ages: 9 – 12 • CSI Desert Kitchen

June 11 – 15 • 9 a.m. – 12 p.m. or 2 – 5 p.m.

Fee: \$129

Calling all Junior Chef! Come experience a culinary adventure in appetizers and tapas. These are small snack items that are popular for sharing and trying different cuisines. In this fun five-day class, young chefs will

practice essential kitchen skills and master some fundamentals of cooking and kitchen safety. Learn to make appetizers like the pros as we master techniques for phyllo tarts, stuffed mushrooms, bruschetta, caprese skewers, mini enchilada tarts, baby hassel-back potatoes, cornmeal popovers, and more. This series will include kitchen safety, proper food handling, food preparation, etiquette manners, table setting, presentation and of course math and fun. Come join our chefs in a safe environment that encourages discovery and creativity.

CSI KITCHEN ACADEMY - COMFORT FOODS AROUND THE UNITED STATES

Ages: 9 – 12 • CSI Desert Kitchen

July 9 – 13, 2018

9 a.m. – 12 p.m. or 2 – 5 p.m.

Fee: \$129

Calling all Junior Chefs! We will be touring the United States and discovering comfort foods in different regions. Our Kitchen Academy is a perfect place for students to develop, build upon, and sharpen their culinary skills as they progress through the week. Planned around a unique theme to immerse young chefs in a world of culinary creativity and discovery. This series will include kitchen safety, proper food handling, food preparation, etiquette manners, table setting, presentation and of course math and fun. We will be preparing shepherd's pie, baked ziti, chicken pot pie, macaroni and cheese, tuna melt, peach cobbler, Kentucky hot brown, and of course Mississippi mud pie. We look forward to seeing you this summer!

BEGINNER EV3 ROBOTICS CAMP

Ages: 9 – 14 • CSI Fine Arts 164

June 6 – 8 • 12:30 – 4 p.m. • Fee: \$100

Design, build, and program a LEGO EV3 robot that will crush the competition in a fun, end-of-camp contest. This Beginner EV3 Robotics camp is open to all boys and girls interested in applying science, technology, engineering, and math while learning real-world problem solving skills and gracious professionalism from the valley's own award-winning 5026 Tesla Coils FTC Robotics Team. Space is limited to the first 32 registrations.

LITTLE ROBOTITIONS ROBOTICS CAMP

Ages: 6 – 8 • CSI Fine Arts 164

**June 5-6, June 7-8, August 7-8,
or August 9-10**

Fee: \$50 • 9 – 11 a.m.

In Little Robotitions Robotics Camp, younger students will learn new skills in science, engineering, technology, and coding using the LEGO WeDo 2.0 robotics kits and software. In this camp, students learn the important 21st century skill of programming the intuitive way – by bringing their adorable creations to life. What parents love and the students don't realize is they are also sharpening computational thinking skills like logical reasoning, pattern recognition, and modeling simulations. In Little Robotitions Robotics Camp, children are empowered to ask the right questions, define problems, and design their own solutions by putting scientific discovery in their own hands. They'll also learn gracious professionalism from the valley's own award-winning 5026 Tesla Coils FTC Robotics Team. Class sizes are limited to 10 kids per session.

ADVANCED EV3 ROBOTICS CAMP

Ages: 9 – 14 • CSI Fine Arts 164

August 8 – 10 • 12:30 – 4 p.m.

Fee: \$100

In the Advanced EV3 Robotics Camp, students will use LEGO MINDSTORM EV3 robotics kits to design and build programmable robots using motors, sensors, gears, wheels, axles, and other technical components. They will learn how to understand and interpret two-dimensional drawings to create three-dimensional models and gain practical, hands-on experience using mathematical concepts such as estimating and measuring distance, time, and speed. They'll learn gracious professionalism from the valley's own award-winning 5026 Tesla Coils FTC Robotics Team. Space is limited to the first 32 registrations. Important: This class is ONLY for students who've taken the Beginner EV3 (LEGO) Robotics Camp. Please contact the camp director with any questions about eligibility for this advanced camp.

IDAHO WRITING CAMPS

Grades 3-9 • Shields 105 • July 16-20

Cost: \$165 (non-members), \$135 (Cabin members)

Writing Camp in Twin Falls is a weeklong workshop for Idaho kids in grades 3-9. Camps are led by a professional teaching-writer from The Cabin who designs imaginative, hands-on creative writing enrichment. Throughout the week, students will encounter challenging prompts and write lots of new poems and stories. They'll also receive in-depth comments from teachers and learn how to revise toward publication. At the end of camp, students share their writing at a public reading, and publish their work in The Cabin's end-of-summer print anthologies. Register online after March 1 at www.TheCabinIdaho.org or by calling 208-331-8000. Scholarships based on financial aid are available.

All Southern Idaho 6th Grade to 12th Grade Students are Welcome to Participate!

IDAHO FOOD BANK VOLUNTEER OPPORTUNITY INFORMATION SESSION

M • June 4 • 6 – 7 p.m.

Jerome Center

Instructor: Makenzie Ellsworth

Fee: Free

Are you looking for ways to volunteer in Jerome? Volunteers power The Idaho Foodbank. Volunteers ensure that our food is distributed to Idahoans in need. Learn more about The Idaho Foodbank, its partner agencies, its programs, and volunteer opportunities available in Jerome. Many of our partner agencies and programs are completely run by volunteers and we want to share how community members can get involved! Topics covered include: Who the Idaho Foodbank is, the mission of The Idaho Foodbank, food insecurity in Idaho, food insecurity in Jerome, the Idaho Foodbank programs, the Idaho Foodbank Partners, and the ways in which you can volunteer! Class limit 20.

SHARE OUR STRENGTH'S COOKING MATTERS AT THE STORE TOUR FOR ADULTS

W • June 6 • 6 – 8 p.m.

Walmart in Jerome

Instructor: Makenzie Ellsworth

Fee: Free**

Share Our Strength's Cooking Matters teaches individuals and families how healthy cooking can be delicious, enjoyable – and most important – affordable. Cooking Matters at the Store is a FREE grocery store tour and workshop that provides tips for shopping on a budget and how to choose healthier options at the store. By participating, you will receive a reusable shopping bag, a shopping resource guide with recipes, and \$10 in groceries.

**Courses are open to households at or below 185% of the federal poverty level (about \$3,747/month for a family of four). Proof of income is not required.

College of Southern Idaho's

Jerome Campus

KIDS ROCK PAINTING

All ages • Jerome Center

M • June 18 • 3 - 5 p.m.

\$10/\$4 for supplies paid to instructor on first day of class

Instructor: Cindy Flowers

Rock art is a fun and easy. All it takes is paint, a few rocks and your imagination! Kids will paint rocks and hide them around town. Our instructor will post to the Facebook group Jerome Rocks that you hid rocks, for others to find. They can either keep them or hide them somewhere else and post on Jerome Rocks.

SHARE OUR STRENGTH'S COOKING MATTERS COURSE FOR KIDS

Grades: 4-6 • Jerome Center

Tuesdays, July 10 – Aug 14 • 2 – 4 p.m.

Free of charge**

Instructor: Makenzie Ellsworth

Share Our Strength's Cooking Matters™ teaches individuals and families how healthy cooking can be delicious, enjoyable—and most important—affordable.

Through this FREE 6-week course, children participate in a series of participatory cooking classes designed to empower them to make their own tasty meals and snacks at home.

Kids will also learn how to make smart choices wherever they go – at school, out to eat, or at the store. Must register one week in advance. This is not a drop in program. Plan to attend all 6 sessions. Topic Include: Basic

cooking techniques, food safety, storage, and sanitation. preparing nutritious and delicious meals and snacks, encouraging kids to make healthy snack and beverage choices, and encouraging kids to make healthy choices away from home. Class Limit: 15

****Courses are open to households at or below 185% of the federal poverty level (about \$3,747/month for a family of four). Proof of income is not required.**

Hundreds of Titles to Choose From!

Introduction to Microsoft Excel 2016

Do you work with numbers? Then you need to master Microsoft Excel 2016 (now available through Office 365)—and this is the place to do it. In this comprehensive online course, you'll discover dozens of shortcuts and tricks for setting up fully formatted worksheets quickly and efficiently. You'll learn the secrets behind writing powerful formulas, using functions, sorting and analyzing data, designing custom charts and graphs, creating three-dimensional workbooks, building links, and creating macros and custom toolbar buttons. This informative course covers Quick Analysis, Flash Fill, and powerful charting capabilities available in Excel 2016. By the time you're done, you'll be using Excel like a professional.

Introduction to InDesign CC

Have you ever seen a terrific-looking brochure or newsletter and wondered how it was made? Chances are the designer used Adobe InDesign CC, the industry-standard desktop publishing software now available through the Creative Cloud. The course is applicable to any version of InDesign CS4 or newer. In this course, you'll get hands-on experience designing and creating professional-quality letterhead, business cards, brochures, forms, PDF files, eBooks, and more. You don't have to be a designer or an artist to produce professional quality documents!

Discover Sign Language

It's truly amazing that we can communicate just by using our hands! In this course, you'll discover how to use this graceful, expressive language to communicate with Deaf people. You'll master how to fingerspell the alphabet, learn signs for colors, numbers, objects, and family members, and see how to sign phrases and full sentences. Throughout, you'll learn by watching videos that demonstrate how to make the signs and how to incorporate facial expressions to communicate in this beautiful language. By the end of the course, you'll be ready to have a conversation in sign language.

Drawing for the Absolute Beginner

Have you always been interested in drawing, but never really knew how to get started? If

so, then this is definitely the course for you! Gain a solid foundation and understanding of the basics to drawing and become the artist you've always dreamed you could be! In this course, an expert instructor will guide you through an exciting and informative exploration of drawing materials, set up procedures, lighting and rendering techniques, design and layout methods, and more.

Keys to Effective Communication

If you often find yourself at a loss for words or lack confidence in your communication abilities, you'll appreciate this course. With the help of a patient instructor and a supportive community of your fellow students, you'll work step by step through the process of becoming a great conversationalist. You'll learn to use communication to build rapport and create environments of trust, warmth, and respect. Become more confident, create a great first impression, get along well with others, and create more and better personal and professional relationships.

Stocks, Bonds, and Investing: Oh, My!

Are you worried that you might not have enough money to make it through retirement? Stop worrying and start planning! The earlier you begin planning for your future, the easier it will be for you to retire. No matter how inadequate you believe your current understanding of finance to be, this course will make you capable to manage your personal finances, make wise investment decisions, and prepare adequately for your future.

Beginning Conversational French

Discover how easy it can be to learn common words and phrases for both leisure and business. This course makes pronunciation simple, with phonetic spellings for every word and phrase you need to learn. The course even includes audio, so you'll be able to hear and practice the language with little more than a click of your mouse! You'll also learn cultural tips in each lesson that will make you more comfortable in a foreign setting. After finishing this course, you'll be prepared to speak French in a wide variety of settings and situations.

North Side Center • ADULT CLASSES

934-8678 • 202 14th Avenue East • Gooding, ID 83330

TEACUP FAIRY GARDENS

M • June 18 • 6-8 p.m.

North Side Center • Instructor: Diane Gause
Fee: \$25 plus \$20 supply fee paid to instructor.

Create your own little whimsical garden to display in your home or office all year long using succulent plants that take very little care. This could also make a very sweet gift or shared experience with your own mom or child/grandchild. Bring a teacup and saucer if you have your own or one will be provided. \$20 supply fee pays for succulents, miniatures and materials.

ADVANCED DOG OBEDIENCE

Wed • June 20 to Aug 1

No class 7/4 • 6-7 p.m. • North Side Center
Instructor: Brittany Triner • Fee: \$55

This comprehensive 6-week class will expose dogs and their owners to a variety of training scenarios and prepare them to enjoy off-leash reliability in distracting environments. Owners will enjoy relationship based training methods that allow them to better communicate with their pets, and the dogs will thrive in the fun learning environment. This class is taught by a certified professional dog trainer and behaviorist with over 7 years' experience working with hundreds of dog/owner teams. Advanced Dog Obedience will prepare your dog for real-world distractions as well as outdoor adventures with emphasis on off-leash reliability in any situation. Participants must have completed a basic obedience course.

DOG AGILITY

Wed • June 20 to July 25

No class 7/4 • 7-8 p.m. • North Side Center
Instructor: Brittany Triner • Fee: \$55

Get into the action! Agility is an exciting sport where dog and handler navigate their way through a series of obstacles competing for time and accuracy. This 5-week introductory class will introduce dogs and handlers to the rules of AKC agility competition. You and your dog will get on the course, learning how to navigate all the obstacles from jumps and tunnels to contact obstacles. Agility is suitable for any breed of dog that would love to get out and get active with its owner in a fun and challenging learning environment. Dogs should know basic commands of sit, down and stay.

NATURE PHOTOGRAPHY EXPLORATION

F, Sa • June 22 & 23

Fri. 6-8 p.m. Sat. 8 a.m.-noon

North Side Center

Instructor: Alfred Hagen • Fee: \$39

Join professional photographer Alfred Hagen for an exploration of the nature around you. Learn to focus on a single subject, whether it's in a landscape scene or macro image. You will practice the fundamentals of composition and technique to make better photographic images using your DSLR camera.

North Side Center Campus

TALKING HANDS

Ages 8-13 North Side Center

M-Th • June 18 to 21 • 2-4 p.m.

Instructor: Aditya Sharma

Fee: \$35

Let your hands do the talking with American Sign Language (ASL)! You'll sign everyday words such as numbers, colors, common objects and actions, and ask and answer simple questions. You'll also practice fingerspelling your name and other words using the manual alphabet. You'll have extra fun meeting deaf students at the last class session and practicing your ASL skills with them.

ADVENTURES IN ANIMAL ANATOMY

Ages 10-14 North Side Center

M-Th. • June 25 to 28 • 2-4:30 p.m.

Instructor: Bill Ebener

Fee: \$20

Do you love animals? Do you want to learn how a pig's heart works, about the digestive system of cows, or the nervous system of a sheep? This hands-on class will give you a chance to dissect, discover, and see first-hand the special traits that make animals' bodies so unique. Join CSI Biology Professor Bill Ebener during this five-session course and learn the basics of animal anatomy. Careful procedures will be followed, and students will be supervised at all times.

LITTLE ROBOTICS DAY CAMP

Ages 6-8 North Side Center

F • July 6 • 9 a.m.-noon

Instructor: Trachelle Fullmer

Fee: \$50

In Little Robotitions Robotics Camp, younger students will learn new skills in science, engineering, technology, and coding using the LEGO WeDo 2.0 robotics kits and software. You'll learn the important 21st Century skill of programming the intuitive way – by bringing your adorable creations to life. What parents love, and what kids don't realize is they are also sharpening computational

thinking skills like logical reasoning, pattern recognition, and modeling simulations. In Little Robotitions Robotics Camp, kids are empowered to ask the right questions, define problems, and design their own solutions by putting scientific discovery in their own hands.

BEGINNING ROBOTITION EV3 DAY CAMP

Ages 9-14 • North Side Center

F • July 6 • 2-6 p.m.

Instructor: Trachelle Fullmer

Fee: \$53

Design, build, and program a LEGO EV3 robot that will crush the competition in a fun, end-of-camp contest. LEGO Robotics camp is open to all boys and girls interested in applying science, technology, engineering, and math while learning real-world problem-solving skills and gracious professionalism from the valley's own award-winning 5026 Tesla Coils FTC Robotics Team. Space is limited to the first 15 registrations.

CABS BABYSITTER TRAINING

Ages 11-16 • North Side Center

W • July 11 • 1-5 p.m.

Instructors: Aaron & Christina Keyes

Fee: \$42

Learn the important information you need to turn babysitting into a summer or afterschool job. This training covers the fundamentals of caring for children of different age groups, safety, injury prevention, and keeping your charges entertained and engaged. Special attention is given to "babysitting as a business," including leadership, preparation techniques, and communicating with parents. The class fee includes course book, 2-year certification card, and first aid kit.

Mini-Cassia Campus

678-1400 • 1600 Parke Ave • Burley, ID 83318

CSI DIY: DESIGN YOUR OWN METAL PROJECT!

Ages: 16+ • Cassia Regional Tech Center
July 21 • 6 - 8:30 p.m.

Fee: \$150 • **Instructor:** Steve Wells

During this beginning hands-on course, students will be introduced to various welding processes, basic welding techniques, grinding, metal cutting, and safety in order to create a finished project to take home at the end of the course. Students with previous welding experience will be able to work on larger projects with instructor permission. This class will have limited enrollment so that the instructor can work closely with each student to help them progress on their project. Students will come to class in clothes appropriate for welding such as jeans, leather shoes/boots, and long sleeved shirt of canvas or cotton. Loaner helmets, safety glasses, and gloves provided to participants who need them. Class size is limited to 8 – so register early!

CHRISTMAS IN JULY: SLEDS AND SNOWMEN!

Ages: 14+ • CSI MC Center A-16

Wooden Sled Décor - July 11 & 12

Snowman Door Swag - July 25 & 26

Wed and Thu • 3 – 5 p.m.

Fee: \$ 25 + \$25 supplies

Instructor: Thayne Schafer

July is the PERFECT time for sleds and snowmen! Craft beautiful sleds and snowman decor now for Christmas! You will craft amazing holiday decorations and learn painting and decorating techniques. You will learn to utilize ribbons, pallets, pine branches, ornaments and more to create a beautiful swag accent for your finished project.

CSI SUMMER SCIENCE CAMP 2018 – YOUNG INVENTORS

Grades: 2-7 • CSI MC Center

June 18 – 21 • 1 - 3:30 p.m.

Fee: \$49

Did you know that a child invented the Pop-sicle or that a 16 year old invented the trampoline? Are you a young Einstein? Maybe a Leonardo Da Vinci in training? Curious like Marie Curie? Ready to invent and explore? Children are natural inventors. Join us for CSI Science Camp 2018 Young Inventors - where CSI instructors and area science teachers lead students in hands-on science activities covering a variety of subjects guaranteed to excite their imaginations, spark their creativity, and teach them about all things science.

CSI SUMMER SCIENCE JUNIOR CAMP 2018 – YOUNG INVENTORS

Grades: K-1 • CSI MC Center

June 19 - 20 • 1 - 3:30 p.m.

Fee: \$29

Don't let your older siblings have all the fun! You can come to the Science Camp, too! Younger inventors will be introduced to the same scientific concepts featured in Science Camp "Young Inventors", but in a hands-on environment suited for younger learners.

SAFE SITTER BABYSITTER TRAINING

Ages: 11 - 15 • CSI MC Center A14

June 1 or June 22 • 9 – 3 p.m.

Fee: \$40 • **Instructor:** Adria Masoner

Learn the important information you need to turn babysitting into a summer or afterschool job! Get training that covers the fundamentals of caring for children of different age groups, safety/injury prevention, and keeping your charges entertained and engaged. Young children cannot always communicate their needs. The babysitter has to be able to handle whatever situation arises. This course teaches the prospective babysitter how to handle emergencies when caring for young children. Topics include: what to do when a child stops breathing, what to do if someone chokes, how to contact emergency help; how to diaper change, feed, etc. \$40 includes course book and two-year certification card.

DIGITAL SCRAPBOOKING

Ages: 13+ • CSI MC Center A25

M/W June 11-13 or June 18-20 • 1 – 3 p.m.

Fee: \$25 • **Instructor:** Kim Seely

Taking lots of pictures on your digital device?

Now what? Learn ways to document and record the digital pictures in your phone or tablet by creating simple and priceless scrapbook pages that preserve your memories.

There is a simpler and more satisfying way to stay caught up with your journaling and scrapbooking with current apps. It's so easy pages can even be created on the go! Learn some of the latest in apps that take your pictures from your phone to a scrapbook page. Pictures must be accessible on an iPhone 6 or newer, Android or iPad ready to install with the Project Life® app (in the iTunes app store or Google play) and have minimum \$5 iTunes credit or other payment option. Other in-app purchases may be needed. For anyone 13 years of age and older. \$25 Monday and Wednesday, June 11 and 13 or June 18 and 20, 1-3 pm

FIRST AID FOR PETS

Ages: 10 – 14 • CSI MC Center B11

June 6 • 2 – 4 p.m.

Fee: \$35 • **Instructor:** Dr. Trevor Stapelman

You love your pets and want to keep them happy, but a pet can't tell you what's wrong when it is not well. Learn how to watch your pet's behavior and how to check their vital signs and give preventative care so that you can catch illness and injury early, before your pet's condition gets worse. Learn how to combat heat stroke, control bleeding and other skills. Your pet may need to see a veterinarian, but there is a lot you can do to make a trip to the vet easier and help your pet recover quickly. Being prepared to give first aid and providing a healthy lifestyle is the best way to keep you and your animal happy!

WRITE FICTION LIKE A PRO

Ages: 16+ • CSI MC Center A12

T/Th, June 12 - 28 • 6 – 7:30 p.m.

Fee: \$80 • **Instructor:** Kalynn Cotton

Do you have great story ideas and are ready to write your first novel? Join us for a fun and informative three-week class that provides tips and advice about fiction writing from a twelve-time published author. Learn what makes great crime, science fiction, thrillers, horror, adventure, fantasy and creative writing. With her help, you will learn how to build the best characters and how to structure your future story or novel for success.

BEGINNING CONVERSATIONAL AMERICAN SIGN LANGUAGE

Ages: All • CSI MC Center B3

Th, June 7-July 19 • 5:00-6:30 p.m.

Fee: \$35 • **Instructor:** Kathy Marker

This course is just right for the student who has been introduced to sign language and is ready to practice conversational skills. You will develop a better understanding of the dominant sign language used throughout the United States and Canada. Contact the Mini-Cassia Center to find out if you are eligible for family discounts.

Registration Information

Online | For Twin Falls, Jerome, and Burley classes, please go to our website <http://community.csi.edu>, click the “REGISTER NOW” link. Scroll down the page and select the course(s) you would like to take. To view a full description of each course, select the notepad icon. Complete the registration form and click the “SUBMIT” button. Verify your contact/course information and click the “CONFIRM” button. Click the “PAY ONLINE NOW” button to go to the payment options screen. Payment must be made at the time of registration. Note – Online registration is unavailable for Gooding and Blaine County classes

Phone | If you would like to pay by credit or debit card over the phone, call your local center listed below. Please have the course title, method of payment, and other pertinent information (i.e. CSI student ID number or birthdate) ready. Your registration will be taken by a member of the Community Education staff. Payment must be made at the time of registration.

In Person | You can enroll with cash, check or credit or debit card in-person at your local CSI Center or at the main CSI Campus at the Community Education offices, Fine Arts Building, #96. Please have the course title, method of payment, and other pertinent information (i.e. CSI student ID number or birthdate) ready. Payment must be made at the time of registration.

Confirmation | Once you have registered for a class, a confirmation email will be sent you. Information regarding material fees due to the instructor, special requirements, or special notes will appear on the confirmation email.

Supply Fees | Supply fees must be paid to the instructor directly, during the first class session, please have a check or cash ready for them. If you do not pay a supply fee to the instructor, you will be invoiced for the amount.

Cancellation Policy | CSI Community Education classes are held based upon the number students that have enrolled and paid. A class may be cancelled if a minimum enrollment number is not met within a specified time prior to a class start date. If a decision is made to cancel a class, students will be notified via telephone or email 24 hours prior to the first class session.

Cancellation Refunds | If a class is cancelled, a 100% refund of registration fees will be given. Refunds will be issued in the student’s name in the form of a check from the College of Southern Idaho. Please allow 2 to 4 weeks for processing.

Dropping a Community Education Class | If you are unable to attend, please call your local center listed below to drop the class 48 hours prior to the first class session. No refunds or credit certificates will be given on or after the class start date.

Late Payment Fee | Payment is expected at the time of registration. If a payment is not made within 30 days, a \$50 late fee will be assessed to the student account. Late fees cannot be waived.

Suggestions | It is the goal of Community Educations for all participants to be satisfied, and we welcome all suggestions. If you have an idea for a class, or would like to recommend an instructor, please contact your local center or send an email to communityed@csi.edu. We appreciate any input that will improve our program.

Disclaimer | Classes offered through CSI Community Education Center represent a wide variety of interest, skills, and viewpoints held by the instructors who teach them. CSI does not necessarily endorse or sanction the content of each non-credit offering. By registering and submitting payment, you agree to waive and release CSI and its entities from claims or liability arising from this event. You also agree that CSI may use photos or images from the class for publicity and program information.
