SUMMER CAMPS

Guitar Camp
Recommended for ages: 10 to 14
Hey kids, take some of your Summer Break time to explore the guitar. You don’t need experience, just bring a guitar and your willingness to learn. We’ll strum some chords, play some notes, and practice some tunes. Who knows, you might just want to keep going! Music stands are optional.
Instructor: Leah Cothern
Fee: $50 + $3 supply fee
Days: Monday through Friday
Dates: June 4th – June 25th
Time: 11:00am to noon
Course Code: YMUS 008 CO1

Cooking with Ms. Rose
Recommended for ages: 7 to 12
Attn: Future Chefs! Spend a week this summer break learning how to prepare and cook delicious and nutritious foods for you and your family. Ms. Rose will teach you all the basics in a fun, hands-on environment.
Instructor: Ms. Rose Fisher
Fee: $35 + $15 supply fee
Days: Monday through Friday
Dates: June 17th – June 21st
Time: 1:00pm to 4:00pm
Course Code: YHEC 001 C03

Theater Camp
Recommended for ages: 10 to 18
Want to go to the one summer camp where you’ll learn how to use stage makeup to give yourself (or somebody else) bruises, gashes, and old man wrinkles? Do you want to learn how to swing a sword, take a fake punch, and fall without getting hurt? How about spending your mornings building and decorating an entire room? All of this and more is available in the week-long adventure that is CSI Theatre Camp! Theatre Camp is for all skill and experience levels who are interested in learning more about what goes into a play (on stage and behind the scenes). The camp will consist of age-appropriate breakaway classes such as stage makeup, set construction, lighting, stage combat, acting and more! On the last day of camp, students will showcase their work by putting on a play.
Instructors: Jud & Tamara Harmon
Fee: $180 (or $150 if registered before June 17th)
Days: Monday through Friday
Dates: July 8th – 12th
Times: 9:00am to 5:00pm
Registration Info: Contact Camille at 732-6288 or cbarrigar@csi.edu

Sharing Nature with Children
Recommended for ages: 8 to 12
Students will collect rocks, discuss native plants, and observe wildlife, and share stories while participating in a series of nature walks throughout the CSI Campus. Students will get to engage in a variety of activities, including a coil grass weaving project.
Instructor: Stacie Rambo
Fee: $25
Days: Tuesday through Thursday
Dates: July 17th – July 19th
Times: 1:00pm to 3:00pm
Course Code: YSCI 007 C01

Science Camp: Young Inventors
Recommended for ages: Grades K through 7th
Instructors: Mad Scientists, Nutty Professors, & Special Guests
Fee: $60
Days: Monday through Friday
Dates: July 29th – August 2nd
Time: 9:00am to 11:30am
Course Codes: YSCI 012 C01 (K/1st); YSCI 012 C02 (2nd/3rd ); YSCI 012 C03 (4th/5th); YSCI 012 C04 (6th/7th)
Junior Theater Camp
*Recommended for ages: 6 to 9*
This three-day afternoon camp, a companion to the regular CSI Theatre Camp, is designed to introduce younger students to the world of theatre. No experience required! Junior campers will get a behind the scenes tour of the CSI Fine Arts Center and learn the basics of what goes into a play - who does what, stage direction, how to express your emotions through performing, face painting, stage voice and movement, fun with costumes, as well as preparing a short performance for moms and dads.
**Instructors:** Jud & Tamara Harmon
**Fee:** $60
**Days:** Monday through Wednesday
**Dates:** July 29th – 31st
**Times:** 1:00pm to 5:00pm
**Registration Information:** Contact Camille at 732-6288 or cbarigar@csi.edu

CLASSES AT HANDS OWN STUDIO

Clay Hand Building
*Recommended for ages: 8 to 12*
Clay is an inventive medium and fun to play with. Experience this tactile world as you learn the basics about clay, clay tools, glazes and firing processes. You will learn to design and make hand built pottery using various techniques such as slab construction, coil pots, pinch pots, surface texture, clay impression and more. All projects are inspired by pottery from different cultures around the world. Sample projects include a Greek wall vase, Japanese sushi plate, Mexican tiles and Aztec bowls (although projects may vary).
**Instructor:** Robin Dober
**Fee:** $20 + $40 supply fee paid to the instructor
**Days:** Wednesdays
**Dates:** June 12th – July 3rd
**Times:** 9:00am to 10:30am

Fused Glass Art
*Recommended for ages: 9 to 14*
Looking for a way to mix a little science and a little art with lots of fun? Come to this class and you’ll see what the excitement about glass is really about. You’ll learn the basic principles and science behind glass fusing, how to cut glass safely and assemble simple projects and what happens to the glass in the kiln. You’ll play with different types of glass and make several glass pieces to take home at the end of the class - endless possibilities await you, including fun animal sun catchers, garden stakes, wall plaques and candle vases (although projects may vary). Please wear close-toed shoes.
**Instructor:** Robin Dober
**Fee:** $20 + $50 supply fee paid to the instructor
**Days:** Tuesdays
**Dates:** June 18th – July 9th
**Times:** 9:00am to 10:30am
**Course Code:** YART 032 C02

Pastel Landscapes for Kids
*Recommended for ages: 7 to 13*
Students are invited to harness their inner artist while using pastels to create a landscape masterpiece. Students will learn pastel chalk techniques, perspective, color, and shading. Participants will leave with their very own frameable piece of art.
**Instructor:** Stacie Rambo
**Fee:** $10 + $5 supply fee
**Day:** Wednesday
**Date:** June 5th
**Time:** 1:00pm to 3:00pm
**Course Code:** YART 014 C01

KID’S ARTS & CRAFTS

You & Me, Kids Crochet
*Recommended for ages: 9 to 15*
Kids are invited to come, be creative, and have fun while learning the basics of crochet. Come by yourselves or with a parent – and make a project that is all your own! Students are encouraged to come prepared with their own supplies: Crochet Hooks (Sizes H, I & J), 2 Skeins of #4 worsted-weight (medium thickness) yarn, a tapestry needle, and craft scissors. Note: this class will be offered two different times during the summer session.
**Instructor:** Brandi Weston
**Fee:** $35 kids only or $55 for 1 kid + 1 parent
**Days:** Tuesdays
**Dates:** June 4th – June 25th
**Times:** 4:00 to 5:30pm
**Course Code:** YHOB 008 C01 (kids only); YHOB 008 C02 (child and parent)

Pastel Landscapes for Kids
*Recommended for ages: 7 to 13*
Students are invited to harness their inner artist while using pastels to create a landscape masterpiece. Students will learn pastel chalk techniques, perspective, color, and shading. Participants will leave with their very own frameable piece of art. **Instructor:** Stacie Rambo
**Fee:** $10 + $5 supply fee
**Day:** Wednesday
**Date:** June 5th
**Time:** 1:00pm to 3:00pm
**Course Code:** YART 014 C01
**Watercolor Seascapes for Kids**
*Recommended for ages: 7 to 13*
Do you want to be a brilliant painter? In this class, students will learn about watercolor paints, will learn how to use watercolors to paint their own seascape work of art. Students will be encouraged to write a Haiku poem to go along with their paintings, in order to make a memorable treasure to keep or give as a gift.

**Instructor:** Stacie Rambo  
**Fee:** $10 + $5 supply fee  
**Day:** Wednesday  
**Date:** June 12th  
**Time:** 1:00pm to 3:00pm  
**Course Code:** YART 014 C02

**Father’s Day Bird Houses (recommended ages 7 – 11)**
*Recommended for ages: 7 to 11*
Learn about the different birds you might see in your backyard. Paint a unique birdhouse that your feathered friends can visit. We will also discuss what birds like to eat, and migration patterns. Registration Deadline: Tuesday – June 11th  

**Instructor:** Ashley Schultz  
**Fee:** $12 + $8 supply fee  
**Day:** Saturday  
**Date:** June 15th  
**Time:** 10:00am to noon  
**Course Code:** YART 008 C01

**Sock Monkeys**
*Recommended for ages: 10 to 15*
In this class, children 10 to 15 years of age will make their own stuffed monkeys using original Fox River Socks. Students will learn how to hand sew and use their imaginations to create their own classic toy. Registration Deadline: Friday – July 26th.  

**Instructor:** Stacie Rambo  
**Fee:** $25  
**Day:** Wednesday  
**Date:** August 7th  
**Time:** 1:00pm to 3:00pm  
**Course Code:** YHEC 099 C01

**REIKI FOR KIDS OF ALL AGES**

**Reiki for Little Kids**
*Recommended for ages: 5 to 7*
Reiki is a Japanese technique for stress reduction and relaxation that also promotes healing. It is based on the idea that “life force energy” flows through us and is what causes us to be alive. If one’s “life force energy” is low then we are more likely to get sick or feel stress, and if it is high, we are more capable of being happy and healthy. Children will learn to understand the basics of energy and how it applies to their everyday lives. Using lots of hands on exercises the children will learn how breathing can calm and center them, a useful tool when they feel stressed or in a difficult situation.

**Instructor:** Sandy March  
**Fee:** $15  
**Day:** Saturday  
**Date:** June 22nd  
**Time:** 10:00am to noon  
**Course Code:** YPED 021 C01

**Reiki for Kids**
*Recommended for ages: 8 to 12*
Join this exciting class and begin to learn the basics of energy and how it applies to your everyday life. Using hands on exercises you will experience how breathing can calm and center you, a useful tool when you feel stressed, out of sorts, or are dealing with difficult situations at home or school. You will also learn how to feel the earth’s energy and your own basic energy centers (Chakras), giving you a fundamental understanding of Reiki.

**Instructor:** Sandy March  
**Fee:** $20  
**Day:** Saturday  
**Date:** August 10th  
**Time:** 10:00am to noon  
**Course Code:** YPED 021 C02

**Reiki for Teenagers**
*Recommended for ages: 13 and up*
Join this exciting class and begin to learn the basics of energy and how it applies to your everyday life. Using hands on exercises you will experience how breathing can calm and center you, a useful tool when you feel stressed, out of sorts, or are dealing with difficult situations at home or school. You will also learn how to feel the earth’s energy and your own basic energy centers (Chakras), giving you a fundamental understanding of Reiki. We will spend extra time experimenting with the exercises, explaining energy healing in general.

**Instructor:** Sandy March  
**Fee:** $20  
**Day:** Saturday  
**Date:** July 20th  
**Time:** 1:00pm to 3:00pm  
**Course Code:** YPED 021 C03
OTHER AMAZING CLASSES!

Beekeeping for Families
*Recommended for ages: 6 to 12*
If you have curious kids, this Introduction to Beekeeping will explore the world of the honey bee in a family friendly manner. Participants will learn about what goes on inside a beehive and all the amazing things that bees can do, and how people can help bees! They will also have the opportunity to see and handle actual beehives, try on bee suits, use other beekeeping equipment, and learn some of the basic skills needed to keep bees. If you are simply curious about how these amazing insects work, or are seriously thinking about getting your own backyard hive, bring the kids and come explore the world of beekeeping!

**Instructor:** Tubbs Berry Farms  
**Fee:** $20 for each parent and child  
**Day:** Saturday  
**Date:** June 15th  
**Time:** 1:00pm to 3:00pm  
**Course Code:** XHOB 011 C01

Rock Climbing for Kids
*Recommended for ages: 7 to 12*
Did you know you live near one of the most popular rock climbing destinations in the United States? Come learn everything you need to know about rock climbing: knots, belay skills, proper technique, and more! You will be scaling steep faces and mastering the mountain in no time. Instruction will take place near Bread Loaves Camp Site near City of Rock State Park.

**Instructor:** Brad Shilling  
**Fee:** $15  
**Day:** Saturday  
**Date:** July 20th  
**Time:** 10:00am to 12:30pm  
**Course Code:** YPED 007 M01

Summer Pizza Party
*Recommended for ages: 7 to 11*
Make your own take and bake pizza. Students will get to toss and roll dough just like in a pizzeria; then you will use a pre-made crust to make a pizza for your family. Flex your culinary imagination by experimenting with different toppings and sauces. Recipes and instructions will be included.

**Instructor:** Ashley Schultz  
**Fee:** $7 + $8 supply fee  
**Day:** Saturday  
**Date:** July 27th

Flower Cookies
*Recommended for ages: 7 to 11*
Decorate a bouquet of flower cookies for your friends. Students will learn about six different flowers they might see in their yard. They will learn about perennials and annuals, full sun lovers and shady dwellers, and what time of the summer each type of flower thrives. Students can then take this info and decorate a cookie in the likeness of each flower that is studied.

**Instructor:** Ashley Schultz  
**Fee:** $10 + $5 supply fee  
**Day:** Saturday  
**Date:** August 17th  
**Time:** 10:30am to noon  
**Course Code:** XHEC 001 C02

Mini-Cassia Campus  
1600 Parke Avenue — Burley

Fish Bowl: Make You Own Amazing Aquarium
*Recommended for ages: 5 to 10*
Create the best aquarium ever. No one will ever find these fish underwater. You will create your own two-dimensional aquarium using cut paper and collage. You will learn design basics such as; an introduction to color, visual perspective, big, Medium, small, darks and light, and texture. Any kind of creature you can think of can be made. Penny fish, octopus made from yarn and pompoms, seaweed made from ribbon, sandpaper castles with an acetate finish to give the authentic “glass” fish bowl look. Bring your imagination and have fun!

**Instructor:** Stephanie Call  
**Fee:** $20 + $7 supply fee  
**Days:** Tuesday through Wednesday  
**Dates:** June 4th – June 5th  
**Time:** 1:00pm to 3:00pm  
**Course Code:** YART 022 M01

Beginning Golf for Youth
*Recommended for ages: 7 to 14*
Catalog Description: What a great chance to start that youngster off on the right foot with learning to golf at an early age! Golf is a sport that can be played all through one’s life! There are plenty of good reasons to learn to golf...fun with the family, high school golf teams, even possible college scholarships! Group instruction includes all the basic fundamentals of golf as well as the swing, woods, iron, putting, sand, and chipping. Class length is one hour from 12:30 to 1:30pm; students have the option of an
additional 30 minutes of individual practice time from 1:30 to 2pm. Golf clubs can be provided if needed.
**Instructor:** Mike Williams, PGA  
**Fee:** $60  
**Days:** Wednesdays  
**Dates:** June 5th – June 19th  
**Times:** 12:30pm to 2:00pm  
**Course Code:** YPED 004 M01

**Cut & Torn Watercolor Illustrations**  
*Recommended for ages: 6 to 12*  
Come play with color, paint, and paper. You can make pictures of flowers and butterflies, bugs in the garden, jungle pictures, tractors on the farm, cars, or even pictures of other planets. You will paint with water colors covering whole pages with paint. When they are dry you will cut out shapes and designs to create spectacular pieces of art. You will learn about the color wheel, water color techniques, basic design principles and how to put energy into your pictures. Bring an empty plastic milk or juice container.

**Instructor:** Stephanie Call  
**Fee:** $30 + $12 supply fee  
**Days:** Monday through Tuesday  
**Dates:** June 10th – June 11th  
**Times:** 10:00am to noon  
**Course Code:** YART 015 M01

**Around the World in 80 Minutes**  
*Recommended for ages: 8 and up*  
Take an architectural trip around the world. You are invited to come and learn about the buildings, old and new, that are used all over the Earth. We will explore cathedrals, castles, tombs, office buildings, homes, monuments, and more. You can also design your own building with cut paper using different colors, patterns and textures. You can create a jungle house, castle in the clouds, underwater houses or just you dream home, anything your imagination can invent.

**Instructor:** Stephanie Call  
**Fee:** $30 + $5 supply fee  
**Days:** Wednesday through Thursday  
**Dates:** June 10th – June 11th  
**Times:** 10:00am to noon  
**Course Code:** YART 023 M01

**Science Camp: Young Inventors**  
*Recommended for ages: Grades 2nd through 7th*  

**Instructors:** Mad Scientists, Nutty Professors, & Guests  
**Fee:** $40  
**Days:** Monday through Thursday  
**Dates:** June 17th—June 22nd  
**Time:** 1:00pm to 3:00pm  
**Course Codes:** YSCI 012 M01 (2nd/3rd); YSCI 012 M02 (4th/5th); YSCI 012 M03 (6th/7th)

**Letter Illumination**  
*Recommended for ages: 12 and up*  
Step back to the Middle Ages and learn about the Illuminated Manuscripts from Scotland, England, and Ireland. You can learn about different forms of letters and how you can design and embellish them, turning them into works of art. You will explore color harmony, basic typography, simple knot work designs, and a little about art history. You’re favorite letters can be turned into designs for cards, monograms, logos or even just great pieces to frame and hang on the wall. Letters will never be so much fun.

**Instructor:** Stephanie Call  
**Fee:** $30 + $12 supply fee  
**Days:** Tuesday through Wednesday  
**Dates:** June 25th – June 26th  
**Times:** 1:00pm to 3:00pm  
**Course Code:** YART 018 M01

**Rock Climbing for Kids**  
*Recommended for ages: 7 to 12*  
Did you know you live near one of the most popular rock climbing destinations in the United States? Come learn everything you need to know about rock climbing: knots, belay skills, proper technique, and more! You will be scaling steep faces and mastering the mountain in no time. Instruction will take place near City of Rocks State Park - Bread Loaves Camp Site.

**Instructor:** Brad Shilling  
**Fee:** $15  
**Day:** Saturday  
**Dates:** July 20th  
**Times:** 10:00am to 12:30pm
