CSI Theater Department 2023-2024 Season

FEFU AND HER FRIENDS
by María Irene Fornés • October 11-14
Fefu and Her Friends is a highly experimental feminist play by the legendary Cuban-American playwright, María Irene Fornés. Set in 1935 New England, the story embarks audiences on eight women’s individual and collective journeys to explore their femininity in a highly masculine world. This site-specific production, directed by Burcu Seyben, will require audience mobility and have limited seating. Tickets are $10 and will be available at tickets.csi.edu prior to each performance, CSI Students can get in for free.

THE SEAGULL
by Anton Chekhov • December 6-9
The CSI Theater Program explores the ever-evolving nature of art and relationships in Anton Chekhov’s comedy The Seagull. As budding, youthful artists explore new methods of creation, the older generation must decide if they support innovation, or fight to preserve tradition. The interactions between Chekhov’s strong characters will have audiences laughing, gasping, and contemplating what we do with long-held traditions while we find room for young artists to fly. The Seagull is adapted and directed by Arts and Humanities Department Chair, Shane Brown. Tickets are $10 and will be available at tickets.csi.edu prior to each performance, CSI Students can get in for free.

BIG RIVER
by Roger Miller, William Hauptman, Mark Twain • April 17-21
CSI Theater and Music programs collaborate to present the large-scale musical Big River. Join them as they showcase the American classic created by humorist and social commentator Mark Twain. This production will entertain audiences with singing, dancing, comedy, and adventure, as well as an exploration of the events in American history that served to shape the nation we live in today. Tickets are $15 and will be available at tickets.csi.edu prior to each performance, CSI Students can get in for free.

All shows are 7:30 p.m. in the CSI Fine Arts Theater, unless noted otherwise. CSI Students can get into the shows for free upon showing their student ID at the ticketing booth. CSI Theater Department performances are not a part of the Arts on Tour season.

RESEARCHING & CLEARING NEGATIVE ENERGIES
Negative Energy is a powerful dark profound energy that does not feel good. We can usually tell right away when we “don’t feel like ourselves anymore” or you suddenly “don’t feel comfortable in your own skin”. These could be signs that a negative energy has found its way to you and is settling in for the long haul! This class will teach students the many types of negative energies that exist in the universe, how to identify them, and tools on how to remove them. This class is highly recommended for all levels of Reiki students as an add-on to your healing toolkit. Past Life Research students are welcome as you will already be familiar with using a pendulum. However, the class is open to anyone with an open mind or curiosity about our amazing Universe.

**PAST LIFE RESEARCH**

Many cultures believe we are souls having a physical experience in this time and place. These experiences can span centuries. Ever wonder who you were in a past life? Do you obsess over a certain time in history? Why are you drawn to certain locations, countries or areas in the US? Have you ever just met someone yet feel like you have known them forever? Chances are you feel drawn to those things because you had a past life experience. This class will teach students on the proficient use of using a pendulum and charts to discover who you were in past lives. It’s meant to be a fun class.

Week One: Students will learn more about those feelings described above and how to use a pendulum proficiently. Students may bring a pendulum, or one will be provided for class use only.

Week Two: Students will learn how to incorporate charts with the pendulum and how to make inquiries using them and other tools. Students that are interested in continuing their practice can purchase an optional Past Life Research Kit which will include laminated charts, instructions and crystal pendulum for a small fee.

**GRANT WRITING 102: FINDING, WRITING, & WINNING THE FUNDING YOU NEED**
Grant Writing 102 is based upon the principles and instruction included in the Grant Writing 101 course. Participants with more experience writing grants will have an opportunity to receive detailed critical feedback as they develop a proposal. A central goal of the course is to develop clear Specific Aims Page (which supplies additional background information) as the heart of the grant, which attendees will submit prior to class; this will be used for discussion, critique and suggestions from your instructors and classmates. Typically, a project will go through several cycles before moving on to writing the rest of the proposal. A participant may aim to fully develop a proposal and submit it at the end of the workshop, or may choose to develop a proposal over several workshops. Participants are encouraged to use the workshop to prepare revisions of previously reviewed grants, competitive renewals of previously funded grants, as well as new proposals.

ENHANCED CONCEALED WEAPONS
Learn the basics of safe handgun ownership and get informed about the rights and responsibilities you have if you carry a handgun. This class will cover basic safety, ownership laws, and the requirements for an enhanced concealed weapon license in Idaho. You will be provided with a Certificate of Completion and all the forms you will need to apply for a concealed weapons permit at the sheriff’s office upon completion of the class. You must furnish your own handgun that is compliant with the concealed weapon laws, 100 rounds of ammunition, safety glasses, and ear protection. Morning class instruction will take place at the Cassia County Sheriff’s Office Training Room – 129 East 14th street in Burley. Afternoon range instruction will take place at the shooting range in Declo (participants will need to arrange their own transportation and sack lunch). Participants must be age 18 or older to participate. Participants who are 18 will be able to apply for the standard concealed weapons permit and then upon turning 21 will have earned the enhanced concealed permit. Register at the CSI Mini-Cassia Center, by calling (208) 678-1400 or online https://communityed.csi.edu

WATERCOLORS XART 007 M20
Need to sharpen your watercolor painting skills, or just simply want to learn how to paint with watercolors? This 8-week course led by Anna Workman is for you! If you are a beginner there will be a set curriculum to
help you explore and understand the nature of watercolor painting. If you have some experience, we will dive deeper into the world of watercolor painting using textural techniques, special relations in landscapes, and exploring modeling through light and dark values. In this course you will learn how to create advanced watercolor paintings including landscape and still art. Once you have the basics down, then you can expand and learn how to plan your art carefully using proper design techniques that will save you time and money. Focus will be on techniques of placement and layering.

Supplies not included. A supply list will be emailed to you upon registration. Register at the CSI Mini-Cassia Center, by calling (208) 678-1400 or online https://communityed.csi.edu

**GOOGLE PHOTOS I: INTRO TO GOOGLE PHOTOS/CLOUD STORAGE**

In this interactive workshop, you will learn how to use the free cloud storage that is available through Google Photos. In the first session we will find, organize, and edit the pictures that can be automatically uploaded to the Google Photo Cloud site. Bring your phone or device to work from the App, or have a Gmail address to log into a desktop computer. Using Google Photos can free up space on your phone or computer and make your images more accessible. This is not a beginning computer class – basic skills are required and you will be provided with some Tips for Success to help you be prepared before class begins.

RETIRE WITH CONFIDENCE: YOUR ROADMAP TO FINANCIAL FREEDOM
Retirement is glowing on the horizon. Look closely and what do you see - goals, dreams, a certain lifestyle? You’ve worked hard at your careers. You’ve saved, perhaps through your business, real estate, and/or investments in a 401(k) or IRA. You’ve anticipated that Social Security and maybe a pension will pay a portion of your way in retirement. You feel like you’re on the right track… but what now? If you were to retire tomorrow, how would you use your assets to begin living in retirement? Do you have enough to fund your entire retirement? How and when should you file for Social Security and Medicare? Do your retirement goals include leaving a legacy? Now is the time to address these and other questions as you lay down your plan for living in retirement. In this class we will explore topics such as how to create your retirement plan, Social Security, pension options, income investing, annuities, other income generating assets and budgeting for the retiree, investing in retirement, a plan for health care, tax strategies for retirement, and estate planning. Instructor Brian J Scott, CRPC®, a Magic Valley native, is the owner and founder of Elevánt Wealth and has built a successful practice focused on helping his clients confidently transition into retirement through his unique passion and process for comprehensive and collaborative financial planning.
